

IN THE CLAIMS:

Please amend the claims pursuant to 37 C.F.R. §1.121 as follows:

Please add new claims 19-25 as follows:

*Sub C* / 19. (New) A pharmaceutical nasal spray comprising an effective amount of a ketorolac-based analgesic admixed with a phospholipid or a bioadhesive polymer, said spray when administered intranasally having a therapeutic blood level compared to that of the same spray when injected.

*A* / 20. (New) The pharmaceutical nasal spray of claim 19 wherein the ketorolac-based analgesic is ketorolac tromethamine.

21. (New) The pharmaceutical nasal spray of claim 19 wherein the analgesic is present in the composition in an amount of between 5 to 20% by weight based on total weight of the composition.

22. (New) The pharmaceutical nasal spray of claim 21 wherein the analgesic is present in the composition in an amount of 15% by weight based on total weight of the composition.

23. (New) The pharmaceutical nasal spray of claim 19 wherein the bioadhesive polymer is selected from the group consisting of polyacrylics, cellulosics, and gums.

24. (New) The pharmaceutical nasal spray of claim 19, said spray being free of absorption enhancers.

*Sub C* / 25. (New) A pharmaceutical nasal spray consisting of an effective amount of a ketorolac-based analgesic admixed with a bioadhesive polymer, said spray when administered intranasally having a therapeutic blood level compared to that of the same spray when injected.
